Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The examiner indicated on March 1, 2004 claim language including the endpoint 3% wt. in the claimed range would overcome the 35 USC 112, first paragraph rejection. In a discussion on March 15, 2004, the examiner noted claims 4 and 11 are duplicate claims and that claim 5 fails to further limit parent claim 7. Applicant's representative authorized the cancellation of claims 4 and 5 as set forth in the attached examiner's amendment.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)
